

York University Exhibition Centre
18-19th July 2018

Welcome to the second IB Conference

Beyond the lab: Developing your Industrial Biotechnology Career

The conference is aimed at PhD students, post-doctoral researchers and early career industry researchers from the BBSRC NiBB network. The objective of the conference is to broaden delegate's awareness of possible careers outside of the university laboratory, and highlight the professional skills they will need in addition to their technical skills.
